IMPORTANT INFORMATION

This is important tax information and is being furnished to the Internal Revenue Service (IRS). If you are required to file a return, a negligence penalty or other sanction may be imposed on you if this income is taxable and IRS determines that it has not been reported. Form CCC-1099-G is a substitute for Form 1099-G.

Please be aware of the inappropriate use of the PAYER'S Identification Number in completing tax filings where the RECIPIENT'S Identification Number is applicable.

Box 4. Shows backup withholding or withholding you requested on Commodity Credit Corporation (CCC) loans, or certain crop disaster payments. Generally, a payer must backup withhold on certain payments if you did not give your taxpayer identification number to the payer. See Form 1040 for information on backup withholding. Include this amount on your income tax return as tax withheld.

FSA/CCC programs from which you received benefits in calendar year 2017 are listed in the "Type of Payment" column; payment amounts reported to IRS are shown in the "Reportable Income" column.

The following program listed under "Type of Payment" was disbursed on behalf of Natural Resources Conservation Service (NRCS): Grassland Reserve Program.

Benefits paid to joint payees are reported to the IRS under the Tax Identification Number of the person that earned the payment, not the person who may have received the payment.

Commodity loan forfeitures, settlements, and abandonments are not reported on this form; however, this does not mean that they are not subject to income tax.

Box 7. Shows your total taxable FSA/CCC Department of Agriculture payments.

Box 9. Shows market gain on CCC loans whether repaid using cash or CCC certificates. See the instructions for Schedule F (Form 1040).

We recommend that you verify the amounts shown on this form with your records. If you find the amounts are not correct, or if you have questions regarding this form, contact the FSA Service Center that issued your payments. A contact phone number is listed in the Payer's name and address information box. If the FSA Service Center agrees an amount(s) is incorrect or missing, you will be mailed a corrected Form CCC-1099-G. FSA/CCC will notify IRS of any changes to your reportable income.
