Clift Land Brokers and Clift Land Auctions of Amarillo have signed on as proud sponsors of the Armstrong County Livestock Building Expansion and the Armstrong County Livestock Program.

“Dustin Sanders, Armstrong County Ag/NR Agent, recently contacted us regarding this opportunity to support their youth, and we jumped at the chance to help. We receive a great deal of support from all the rural areas in the Texas Panhandle and always look for ways to give back to these communities”, commented George Clift, ALC. “These young people are our future leaders, and we are proud to be a part of this building project and special fund raising event that supports their agricultural activities.”
