For Immediate Release – June 17, 2014

America's Best Brokerages for 2013

Amarillo, Texas

For the third year in a row, Clift Land Brokers has been named one of America's Best Brokerage firms by *The Land Report* magazine. According to the magazine, each year the editors of the magazine select the Country's leading real estate firms specializing in Land.

Clift Land Brokers is the Texas and Oklahoma Panhandles' largest land brokerage firm, with seven offices, 21 agricultural land sales associates and over \$50M in land sales. Broker/Owner George Clift, ALC commented, "We would like to thank *The Land Report* for this recognition. It takes a lot of hard work on the part of our sales team and the support of our new and returning customers to gain this status."

Clift Land Brokers has been working with area landowners for over 17 years, assisting with their land transactions. "We appreciate the recognition by *The Land Report*, as well as being counted in this well respected group of land brokers," said Phyllis Riley, CEO.
