For Immediate Release – June 17, 2015

America's Best Land Brokerages for 2014

Amarillo, Texas

For the fourth year in a row, Clift Land Brokers has been named one of America's Best Land Brokerage firms by *The Land Report* magazine. According to the magazine, each year the editors of the magazine select the Country's leading real estate firms specializing in Land.

Clift Land Brokers is the Texas and Oklahoma Panhandles' largest land brokerage firm, with seven offices and 21 agricultural land sales associates. "Our team made the cut again in 2014 by accumulating over \$50M in land sales, and by once again exceeding our clients' expectations. We would like to thank *The Land Report* for this recognition,," commented Broker/Owner George Clift, *ALC Advanced*.

Clift Land Brokers obviously understands the land business. They have been working with area landowners for over 18 years, assisting with their land transactions. For all your land real estate needs, call Clift Land Brokers at 806.355.9856.
