

Sale Name: Hansford Co TX Dryland Farms Auction

LOT 4 - Tract 4 - 76 +/- Acres

Description

Tract 4 consists of 76 +/- acres with access by the State Hwy 207 on the west side and a private service road on the north. The old home site is located on the northeast corner of the tract. The submersible well located close to the old home site is in working order and has been used in the recent years to water livestock. The power for the old homesite is still there and available. The farmland is currently planted to dryland cotton. The playa lake that is located on the tract is approximately 35 acres, with the balance of the tract in farmland.

Quantity: 1
